### THE RIDGE HOUSE KEALAKEKUA BAY HAWAII. THE HAWAHAN ISLANDS ARE

- ially favored in this way.—The District of Kéna, on the leeward side of Hawaii, has long been famed as a place of resort for invalids with bronchital, or lung diseases. With its pure and mild atmosphere, with its absolute freedom from elimate. Certain localities in the group are espestorms or high winds, with its porous soil which, with all its rich vegetation, retains no dampness and yields no malaria, and with an unvarying temperature—that of the American or Southern European June—ALL THE YEAR ROUND, the climate of Kona is one of the healthiest and most luxurious
- The undersigued, at his house at Kaawaloa, a house une-qualed in the district for size, cleanliness, commodiousness, and thoroughness of furnishing, is prepared to give boarders excellent rooms and all obtainable comforts in the way of diet, at THE UNDERSIGNED CONTINUE

  the low rate of \$ 5.00 per week. There are fresh water baths on the premises, and fine sea bathing within a short distance. The steamer Kilanea and the schooners Ullama and Prince, ran regularly between Honolulu and the Ksawaloa landing. The undersigned employs no agents nor runners. His house speaks for itself upon inspection.
